- With Master Certified Trainer

Change Readiness Gauge™ Certification Process

Certification Process

Step 1: Submit certification request form (available on website)

Step 2: Purchase Change Readiness Gauge certification process including facilitator guide PowerPoint and other support materials.

After reviewing the Facilitator Guide, proceed to step 3

Step 3: Watch 1 hour introductory webinar on Change Readiness Gauge (available 24/7) and 15 minute administrative webinar on using the DLI Assessment Center

After viewing the webinars proceed to Step 4.

Step 4: Complete 1 hour initial coaching session with your Change Readiness Gauge Master Trainer

After completing initial coaching session, trainer will be able to buy and use assessment tool.

Step 5: Administer CRG to a team of at least 5 participants

10 CRG licenses are included in the cost of CRG certification. Any additional licenses must be purchased at list price.

Step 6: ½ hour debrief with your Master Trainer

This debrief can be used to answer any questions and address any problems that may have occurred during delivery of the Change Readiness Gauge. Certification process is complete, proceed to step 7 if desired.

Step 7: ½ hour advanced applications coaching: Recommended but optional.

*** Coaching sessions are scheduled on an individual basis at a convenient time for the participant and our coaching staff.**

Benefits to CRG Certification:

- Recognition on the Discovery Learning website as a certified Change Readiness Gauge trainer/facilitator
- Access to advanced training and facilitation strategies and techniques
- Access to the Discovery Learning Assessment Center and instructions for using it
- Assistance with creation of client norms
