

CSI Certification Process

- Submit request form
- Purchase Facilitator Guide
- Pay for Certification

- With Master Certified Trainer

- With Master Certified Trainer

To learn more about becoming a CSI certified trainer please read below for a more detailed outline.

Change Style Indicator® Certification Process

Certification Process

Step 1: Submit certification request form (available on website)

Step 2: Purchase Change Style Indicator® Facilitator Guide including *Dangerous Opportunity* and other support materials.

After reading *Dangerous Opportunity* and reviewing the Facilitator Guide, proceed to step 3

Step 3: Watch 1 hour introductory webinar on Change Style Indicator (available 24/7)

After viewing the webinar proceed to Step 4.

Step 4: Take the Change Style Indicator Online

After viewing the webinar set up a new program in the Online Assessment Center and take the Change Style Indicator online. After you have reviewed your individual report proceed to step 5.

Step 5: Complete 1 hour initial coaching session with your Change Style Indicator Master Trainer*

After completing initial coaching session participant will be able to buy and use Change Style Indicator and proceed to step 6.

Step 6: ½ hour debrief with your Master Trainer

This debrief can be used to answer any questions and address any problems that may have occurred during delivery or facilitation of Change Style indicator. Certification process is complete, proceed to step 7 if desired.

Step 7: ½ hour advanced applications coaching: Recommended but optional.

*** These sessions are scheduled on an individual basis at a convenient time for the participant and our coaching staff.**
