

Discovery 360° Series™ Certification Process

No previous 360 degree facilitation experience

Discovery 360° Series™ Certification Process

Step 1: Submit certification [registration form](#) and purchase Discovery 360° Series certification process at (www.discoverylearning.com)

Step 2: Review facilitator materials including facilitator guide and PowerPoint presentation, take 360° assessment, and watch 1 hour facilitation webinar.

You will receive a link from the Discovery Learning Assessment Center to take the 360 assessment. Once you and your raters have completed the assessment and you have watched the facilitation webinar proceed to Step 3.

Step 3: Complete 2 hour coaching session with your Master Trainer.

Please contact your Master Trainer directly to schedule your coaching call. After completing this session you will be able to buy and use the Discovery 360° Series™. Once you complete the call proceed to Step 4.

Step 4: Watch administrative webinar.

This may be completed by the trainer or by a designated administrative support person.

Step 5: Administer the 360 for a 3rd party and set up a Discovery 360 Series Plus™ program.

Once you have administered the 360 assessment proceed to Step 6

Step 6: Complete 30 minute debrief coaching session with Master Trainer

Contact your Master Trainer directly to schedule your final 30 minute debrief coaching call. This call may be used to answer any questions that may have arisen during the administration of the assessment. Your certification is not complete until after the debrief call is complete.

Step 7: (Optional) 30 minute advanced application coaching

This is not required in order to complete the certification process.
